Attention: Bill K.

Gentlemen:

25X1

[REDACTED] is pleased to submit a proposal to modify at your facility Zoom 70 Microstereoscopes by addition of a dovetail slide attachment on rhomboid and adapter plate assemblies.

The cost for materials and fabrication of parts is submitted on a fixed price basis as follows:

<u>Nomenclature</u>	<u>Unit</u>	<u>Quantity</u>	<u>Unit Price</u>
Component Parts	Set	100 - 199	[REDACTED]
Component Parts	Set	200 over	[REDACTED]

25X1

Delivery to your facility can be completed within seven months after receipt of order.

The cost of assembly and alignment of components together with any transportation and subsistence shall be charged as actual expenses incurred on a time and materials basis. Direct labor will be charged at an hourly rate of [REDACTED]. It is estimated that approximately 2.4 hours will be expended to modify each unit.

25X1

Transportation charges will allow for first class accommodations, or \$.08 per mile in the event a personal car is used. The cost of [REDACTED] personnel returning [REDACTED] every third week-end shall be allowed.
